ISSUE STATEMENT

This work session provides City Council with an opportunity to review the City of Eugene Naming Policy. Staff will provide a brief overview of the policy at the work session.

BACKGROUND

The City's current naming policy was initially adopted on September 27, 2010 and amended on April 11, 2018. The policy serves to guide the naming of City-owned facilities in an equitable, objective and consistent manner, and to aid in the selection of names that are suitable to the property or facility, respectful of the site or area, useful to the public in locating the facility, and reflect prevailing or emerging community culture. The naming policy consists of a broad set of guidelines that are then further detailed with specific policies and guidelines for naming opportunities associated with streets, libraries and parks (Attachment A).

City Council last utilized the naming policy in April of 2018, when names were approved for the Dr. Edwin Coleman Jr. Community Center and Andrea Ortiz Park.

PREVIOUS COUNCIL DIRECTION

[April 11, 2018 City Council Work Session](#)

Discussion at the April 11, 2018 work session indicated that councilors desired a separate work session to discuss the policy where no specific naming proposals were also being considered. At that same work session, the policy was amended to include changes to the waiting period for naming after an individual has passed away (change from two years to one year) and adding the word "clearly" to the following provision: "the council will not rename facilities or existing facility spaces which *clearly* have been previously dedicated in honor of an individual, unless such individual no longer represents a lasting legacy to the mission of the City of Eugene or the community it serves."

COUNCIL OPTIONS

This work session is an opportunity for City Council to review the existing policy, direct staff regarding any potential updates to the naming policy or request additional information from staff.

City of Eugene Naming Policy

Adopted September 27, 2010

Revised April 11, 2018

OBJECTIVE

The intent of the City of Eugene naming policy is to guide the naming of City-owned facilities in a fair, objective and consistent manner, and aid in the selection of names that are suitable to the property or facility, respectful of the history of the site or area, useful to the public in locating the facility and reflect prevailing or emerging community culture. For the purposes of this policy, “facility” shall be used to mean any building, park, street, natural area, bridge, or other City- owned structure.

GENERAL

The establishment of formal legal names of permanent real property owned by the City of Eugene requires administrative action. Only the Eugene City Council retains the authority to establish formal legal names for City-owned facilities.

It will be the general policy of the City of Eugene when naming facilities to incorporate a geographic, natural, historic, or geological feature as part of the name to assist the public in recognizing the location. The use of geographic areas or neighborhood locations for naming promotes community identification, thus creating a sense of ownership by citizens.

As an alternative, the council may consider honoring individuals whose achievements represent a lasting legacy to the mission of the City of Eugene and the community it serves, or donors making significant financial contributions to the construction of or ongoing operation of the facility by incorporating that individual’s name in the name of the facility. Whenever practicable, the individual’s name will be incorporated into the existing geographic name. In the event that an individual’s name is considered, the City Council will take great care to ensure that the individual is of such character and integrity that the name will endure as an honor in the present and into the future. At no time will a facility be named after a business.

It is the policy of the City Council not to rename existing facilities which have been dedicated in honor of an individual, unless such individual no longer represents a lasting legacy to the mission of the City of Eugene or the community it serves.

All naming proposals for major City-owned facilities will be subject to a public comment process during which objections to the proposal may be raised. The council may choose to empower an appropriate existing committee or create an ad-hoc naming committee, appointed by the Mayor, to ensure the integrity and completeness of the naming process. In general, members of an ad hoc Naming Committee will possess a public service background and have a working knowledge of state and local history.

Existing naming policies shall remain in effect unless the application of the following procedures is warranted. Factors used in determining which policy shall be applied may include size and scope of the facility, level of public interest, and significant historical event.

CRITERIA FOR CONSIDERING INDIVIDUAL'S NAME FOR BOTH NEW AND EXISTING CITY FACILITIES

The City Council may consider naming a facility after an individual who has been deceased for a minimum of one (1) year as of the date of the submission of the proposed name and who meets at least one of the following criteria:

- Regional or local leader with strong, identifiable ties to the community or, specifically, to the facility being named.
- City resident who has distinguished himself/herself in public service as an elected or appointed official or volunteer with strong, identifiable ties to the City organization.
- Individual nominated for dedication of a specific facility by a donor who gives:
 - ✓ At least 50 percent of the total cost of the facility donated at the time of construction;
 - ✓ At least 50 percent of the total cost of major renovation or upgrade donated at the time of renovation or upgrade; or
 - ✓ The land comprising the building site or the cost of the land donated at the time of purchase.
- Individual nominated for dedication of a space/room in the facility by a donor who makes a significant financial contribution to the facility.

I. PROCEDURE FOR SELECTING NAMES FOR NEW FACILITIES

The following procedures shall be used in selecting names for new City-owned facilities.

A. City-Owned Facilities

1. Staff will notify the council about a naming opportunity at least 12 months prior to the scheduled opening of a new facility or at the earliest opportunity. The council may choose to designate an appropriate committee or convene an ad hoc naming committee to recommend a geographic name for that facility and to identify and analyze any real costs associated with the proposal. The proposed name will be based on the location served by the facility or its history.
 - a) Individual or groups who wish to submit a recommendation to the City Council will provide the following information in writing (*see Attachment D*):
 - ✓ Description of facility to be named
 - ✓ Proposed name
 - ✓ Description of how the naming proposal meets the criteria contained within this policy

If the proposed name recognizes a living or deceased person, the proposal must also contain the following:

- ✓ Compelling evidence of the extraordinary contribution of the individual to the community
 - ✓ Biographical information, including date of the death, if applicable
 - ✓ Explanation of how naming facility would improve community awareness and historical perspective
2. A name for the new facility will be proposed to the City Council at a regular council meeting. This meeting will initiate a public comment period, the purpose of which is to ensure that the proposed geographic name and/or any individual names proposed by stakeholders or citizens are accepted by the community.

3. During the public comment period, staff will notify the public of the proposed name through press releases, public service announcements, the City's website, or other effective means of communication. Any notification will contain the following information:
 - (a) A description of the facility to be named, its location, and its proposed name
 - (b) The deadline for submitting comments (either in writing or in person)
 - (c) The address to which citizens may send their comments
 - (d) The dates, times, and locations of the council meetings to be held during the public comment period, at which citizens may comment on the proposed name.
4. If public response suggests the need for an alternate name, the Naming Committee will consider other names and make an appropriate recommendation to the council. The recommendation will include the rationale for the committee's choice.
5. The council will hear the final recommendation and, unless further deliberation is needed, will vote on the recommendation at a regular council meeting.

B. Streets

The process for naming streets is prescribed in planning laws and regulations (*see Attachment A.*)

C. Library Amenities

The criteria for the naming of features and amenities at the Eugene Public Library were set by a council-appointed committee, and are maintained by a three-member City of Eugene/Eugene Public Library Foundation (EPLF) committee and coordinated by the EPLF (*see Attachment B.*)

D. Parks and Open Spaces

The Parks and Open Space Division oversees the naming of park lands and features within the Eugene parks and open space system, with the exception of large buildings such as community centers and aquatic facilities. To ensure fair and consistent application of naming, all park lands and features requiring naming, or for which formal naming is requested, are evaluated and processed in accordance with established guidelines (*see Attachment C.*)

II. PROCEDURE FOR SELECTING NAMES OF INDIVIDUALS FOR EXISTING FACILITIES AND SPACES

In most cases, renaming an existing facility will occur only when a facility has a generic name or in recognition of and response to evolving political/social perspectives and sensitivities.

At any time, citizens or other stakeholders may suggest names for an existing facility or for spaces in and around City-owned facilities to the City Council in writing; however, the council will not rename facilities or existing facility spaces which clearly have been previously dedicated in honor of an individual, unless such individual no longer represents a lasting legacy to the mission of the City of Eugene or the community it serves.

A. Renaming City-Owned Facilities

1. When submitting a proposal to rename an existing facility, the person(s) requesting the change will provide the following information (*see Attachment D.*):
 - ✓ Description of feature to be renamed
 - ✓ Proposed name
 - ✓ Concise description of reason(s) for the name change
 - ✓ Description of how the renaming request meets the criteria contained within this policy

If the proposed name recognizes a living or deceased person, the proposal must also contain the following:

- ✓ Compelling evidence of the extraordinary contribution of the individual to the community
 - ✓ Biographical information, including date of the death, if applicable
 - ✓ Explanation of how renaming a park or feature would improve community awareness and historical perspective
2. The City Council may refer a suggested name(s) to an appropriate existing committee or ad hoc Naming Committee. The Naming Committee will meet to review any suggestions and will make a recommendation to the council. During its review, the committee will identify and analyze potential consequences and any financial implications associated with the proposed name.
 3. When a name is suggested for an existing facility, the council will initiate a public comment period and will notify the public of the proposed name through press releases, public service announcements, the City's website, or other effective means of communication. Any notification will contain:
 - ✓ A description of the facility to be named, its location, and its proposed name
 - ✓ The deadline for submitting comments (either in writing or in person)
 - ✓ The address to which citizens may send their comments
 - ✓ The dates and times of at least one public forum to be held during the public comment period at which citizens may comment on the proposed name
 4. If multiple suggestions are made for the same facility or space, the Naming Committee will select one name to recommend for approval, but may recommend the other suggested names for other spaces in the facility.
 5. The council will hear the Naming Committee's recommendation and, unless further deliberation is needed, will vote on the recommended name at a regular council meeting.
 6. If additional deliberation is needed, the vote will be postponed until a subsequent council meeting. The Naming Committee will clarify its recommendation before that council meeting.

B. Renaming Streets

The process for renaming streets is currently set forth in Eugene Code sections 9.8475 – 9.8490. Applications for street name changes are submitted to the Eugene Planning Division and vetted by the Planning Commission (see Attachment A).

III. STAFF-INITIATED REQUESTS

Naming/renaming of public meeting rooms and subsections of City facilities will be made by the City Manager or his designee, but may come to the City Council for approval at a regular council meeting, or, in situations of lower public interest, via council memo at least four weeks prior to formalization of the proposed name.

ENDORISING PROPOSALS FROM OTHER JURISDICTIONS

In the event the Mayor and City Council are asked to endorse a proposal for naming or renaming a facility not under the City's jurisdictional authority, the following information shall be required:

- ✓ Written letter or statement of request
- ✓ Description of public process for vetting the proposed name
- ✓ Impact analysis, including financial implications, community impact, potential negative impacts, associated with the naming or renaming.

A minimum of six councilors voting in the affirmative is required for the City Council to officially endorse a naming proposal. In the event this threshold cannot be met, a formal notice will be sent to the requesting agency stating that the City Council has no position on the request.

COUNCIL-INITIATED PROPOSALS TO OTHER JURISDICTIONS

Individuals, advisory groups, organizations, individual councilors, or the council as a body may wish to recommend a name for a facility not under the City of Eugene's jurisdiction. In these cases, the following procedure will be used to develop a formal recommendation:

1. Individual or group submits recommendation in writing to City Council via letter or nomination form.
2. Recommendation is placed on Consent Calendar for initiation of public comment period.
3. Notification about the public comment period will occur on the City's website or by other effective means of communication and will consist of:
 - ✓ A description of the facility to be named, its location, and its proposed name
 - ✓ The deadline for submitting comments (either in writing or in person)
 - ✓ The address to which citizens may send their comments
 - ✓ The dates and times of at least one public forum to be held during the public comment period at which citizens may comment on the proposed name
5. Staff identifies any potential impacts associated with the proposal, including financial implications.
6. Following the public comment period, the proposal is scheduled for action by the City Council.
7. Official letter of recommendation is prepared and sent to governing agency.

Suggested Road Naming Guidelines Lane County, Oregon

Recently, many new road names became problematic for address and road name users. Developers have proposed road names that are identical or too similar to existing road names in Lane County. There have also been problems with road names containing road types, alpha/numeric, etc. This results in difficulties for many public agencies, private companies, the U.S. Postal Service, E9-1-1, residents, and the public at large.

Lane Council of Governments (LCOG) facilitated a meeting with local governments and the U.S. Postal Service to create guidelines to accommodate the needs of Planners, Addressing, Public Safety, and U.S. Postal Service staff when reviewing new road names and proposed road name changes. The guidelines apply to both public and private road names.

Generally, each jurisdiction involved in reviewing subdivision plats and proposed road name changes already has an existing review process. In addition to these existing review processes, it was concluded that it would be beneficial to have the U.S. Postal Service, E9-1-1, and LCOG review proposed road names. In an effort to reduce the amount of paper involved with this additional step, correspondence will be sent via e-mail. An e-mail group list has been created and can be found on the RIS network as *LCOG Roadnames. Another benefit of the group list is that it may help prohibit identical or too similar road names from being approved by two different entities simultaneously. Those who send proposed road names to the e-mail group list should give reply deadlines. Recipients should reply that the proposed road name is acceptable or unacceptable before the deadline.

Guidelines:

These guidelines do not conflict with any existing regulations within Lane County. Road names can be checked by using www.rlid.org. This site contains all road names within Lane County where building permits have been issued.

Do not accept:

- Road names without a valid road type;*
- Road names with post-directionals (ex: Woodlake Way South);
- Road names with pre-directionals contained within the *road name* field (instead of in the pre-direction field). Pre-directionals that are attached to another word in the road name (no space between words) are acceptable (ex: South Ridge Dr is not acceptable, Southridge Dr acceptable);
- Road names with punctuation (ex: St. Ives Pl, Be-ell Pl, or Hooton's Corners Rd);
- Road names with potentially confusing foreign names (ex: Soufreiere Ct);
- Road names that are alpha/numeric (ex: Bonners Lane 1);
- Road names that sound like existing road names (ex: Cortland/Portland);
- Road names that contain more than 20 characters (ex: Goodpasture Lakes Loop Rd);
- Road names that contain a road type within the road name (ex: Woodway Pl);*
- Road names that contain a sound-alike of a road type within the road name (ex: Brenelain Ave);*

Do not accept (cont'd)

- Road names that are identical to an existing mailing or incorporated city;
- Road names that are in general confusing, or have unusual spellings (ex: Acres on Taylor Ave or Hodsdonsdale Ln);
- Road names that contain abbreviated MT (mount/mountain) or ST (saint) without another word following (ex: Shasta MT Rd not acceptable, MT Shasta Rd is acceptable). There will be no punctuation but it must contain a valid road type;
- Road names with TRL as a road type. "Trail" in the road name is acceptable with a valid road type (ex: Deer TRL not acceptable, Deer Trail Rd is acceptable).

Proposed road names that already exist in Lane County will be reviewed on a case-by-case basis. Because the Master Street Address Guide (MSAG) is maintained at a county-wide level, it would be less confusing to avoid duplication of road names in Lane County.

Additional guidelines:

Naming cul-de-sacs:

- A new road name is preferable
- For short cul-de-sacs which can be addressed between the lowest and highest addresses of the "root" road where it connects with the cul-de-sac, it is acceptable to use the same road name *and* type as the root road. Do not use a different road type. (ex: a cul-de-sac off of Teralee Ln should be named either Teralee Ln or an entirely different road name)

If you have any questions regarding these guidelines, please contact Carolyn Housdorf at (541) 682-6437 or chousdorf@lcog.org.

*Valid road types are: Aly, Ave, Blvd, Cir, Ct, Dr, Hall, Hwy, Ln, Lp, Pike, Pkwy, Pl, Rd, St, Ter, and Way.

APPENDIX A

NAMING POLICY FOR PARK LANDS AND FEATURES

1. INTRODUCTION AND PURPOSE

The Parks and Open Space Division shall oversee the naming of park lands and features within the Eugene parks and open space system, with the exception of certain large buildings such as community centers and aquatic facilities. To ensure fair and consistent application of naming, all park lands and features requiring naming, or for which formal naming is requested, shall be evaluated and processed in accordance with these guidelines. Approved naming or renaming shall not constitute an obligation to provide a sign or other indication of the name.

2. JURISDICTION

The establishment of formal legal names of permanent real property owned by the City of Eugene, including parks, requires legislative action and cannot be accomplished through administrative action. Only the Eugene City Council retains the authority to carry out legislative action to establish legal names. Features or distinct areas within parks, however, such as picnic structures or gardens, can be named through administrative action.

3. COMMON NAME VS. LEGAL NAME

For operational and public identification purposes, the Parks and Open Space Division frequently refers to park property by a particular name which has not been legally defined or assigned by the City Council. Such names are called “common” or “use” names. In many cases, common names are used for long periods of time, and subsequently appear in documents and printed materials. Names may only achieve a legal standing by one of two means:

1. Eugene City Council resolution adopting the name
2. Eugene City Council adoption of a plan or document in which the common or use name is clearly used to identify the property or facility

4. NEW PROPERTY AND FEATURES

As new property is acquired and new features are constructed, the City of Eugene Parks and Open Space Division typically establishes a name based on one or more of the source criteria listed below. Similarly, the Division may establish a name for existing parks property or features which have not been named.

Adjacent Street - Names referencing an adjacent street.

Geography – Names referencing geographical characteristics of an area near the park or facility, with consideration being given to archeological, geological, topographical, botanical, zoological, or human-made geographical characteristics. Geographical names shall reference features expressing timeless qualities likely to maintain name appropriateness over time.

History - Names referencing a historic person, place, culture, or event associated with the land or facility.

Subdivision/Neighborhood - Names referencing the surrounding neighborhood or subdivision comprising a significant portion of the park service area.

Donation Guidelines
City of Eugene Parks and Open Space

5. RECOGNITION NAMING

Naming park land or features in recognition of a person, group or entity shall be considered based on the following criteria:

Donor - Names referencing a donor, or a name suggested by a donor, may be considered in exchange for significant contributions. Naming of land, where the land itself is donated, may be considered where the appraised value of the donated land is \$500,000 or greater, and where the donated land represents at least 51% of the area of a particular park. Naming of donated features constructed using donated funds, may be considered for donations of 51% of the feature construction or acquisition cost, or \$100,000, whichever is greater. Long-term gifts and endowments are encouraged and may also be considered for naming opportunities.

Honoring a Living Person - Park land and features may be named to honor a living person whose gift or service to the community is of a most extraordinary nature.

Honoring a Deceased Person – Park lands and features may be named to honor a deceased person to recognize an extraordinary service or gift to the community. Requests for naming in honor of a deceased person shall be considered after one (1) year from the date of death.

Group Recognition - Park lands and features may be named to recognize an organization or group for extraordinary gifts or service to the community.

6. RENAMING PROCEDURES

In order to respect past community values, a commonly- or legally-named park or feature shall not be renamed in its entirety under most circumstances. The following procedures describe the process for renaming park lands and features in a variety of circumstances:

Renaming Through Public Process

During public discussions within a park or open space resources plan update process, a general consensus may be reached to rename park land or features to better reflect current community values or the area's special characteristics, or for similar reasons deemed significant by participating members of the community. Public discussions of naming shall be directed to address the criteria outlined herein.

Legal change of the name for a park does not occur unless or until formally adopted by the City of Eugene Council. Name change for a feature or area within a park will take place when the plan is adopted by administrative order.

Renaming Features Outside of Public Process

Requests for renaming outside of a public process may originate from members of the community, organizations, or elsewhere. An official written request for renaming must be sent to the Parks & Open Space Division containing the following information:

- Description of feature to be renamed
- The proposed name
- Concise description of reason(s) for the name change
- A description of how the renaming request meets the criteria contained within this policy

If the proposed name recognizes a living or deceased person, the proposal must also contain the following:

- Compelling evidence of the extraordinary contribution of the individual to the community
- Date of the death, if applicable
- Explanation of how renaming a park or feature would improve community awareness and historical perspective

Renaming a Park Outside of Public Process

Typically such requests will need the individual support of the Mayor or a City Councilor in order for staff to be instructed by the City Council process the request. Such requests will generally need the same types of information as indicated above for renaming a feature.

7. NAMING APPROVAL PROCEDURES

All naming requests and proposals shall be reviewed by the Parks and Open Space Division. Requests shall be reviewed by Parks and Open Space Division staff, who shall forward a recommendation to the Director, who may elect to accept or reject the request. The Director may elect to forward the naming request to the Eugene City Council for action if the request is judged to have a high level of controversy, or to change names with prior legal standing. The Director may decline to forward the request to the Eugene City Council for naming of subordinate areas or features within a park.

On receipt of a request from the City Council to consider renaming a park, staff will evaluate the information provided and return a recommendation to the City Council regarding the request. The Council would then make the decision.

RESOLUTION NO.

A RESOLUTION CONDEMNING WHITE NATIONALISM AND SEDITIOUS ACTIVITIES AND EXTREMIST GROUPS.

The City Council of the City of Eugene finds that:

A. The Mayor and City Council of the City of Eugene are proud to support policies and efforts that uphold our commitment to protect an individual's ability to experience a safe, welcoming and inclusive community in Eugene.

B. In alignment with City Council's goal of creating a safe and welcoming community, we value human rights, peace, respect, inclusivity and equity, and recognize that we derive strength from our diversity.

C. We acknowledge that scholars consistently define white nationalism as the promotion of the idea that national identity should be built around white ethnicity, and that white people should therefore maintain both a demographic majority and dominance of the nation's culture and public life across the country.

D. We recognize that there has been a rise of white nationalist and white supremacist groups in the United States and that the national political dialogue reflects this racial tension.

E. Our community is committed to a just and inclusive Republic. White nationalism places the interests of white people over those of other racial groups, and is an ideology focused on maintaining white political, economic, and demographic dominance, and it is at odds with our vision for Eugene.

F. The Oregon Constitution states, "No law shall be passed restraining the free expression of opinion, or restricting the right to speak, write, or print freely on any subject whatsoever; *but every person shall be responsible for the abuse of this right.*" (Emphasis added.)

G. Free speech is a core principle of our American Republic and the democratic institutions that underpin its existence. The agenda of white nationalist groups seeks to destabilize the American Republic, use fear through threats and physical violence as a control tactic, divide our community, and promote and ignite social animosities.

H. We understand that the City of Eugene exists on the occupied land of the Kalapuya people and within the historical context of our nation and state. Marginalized communities have experienced generational oppression and traumas related to the decisions made by people and governments in both the past and present. White supremacy groups have a history of advocating for the marginalization of communities of color through government policies. For example, legislation starting with the Indian Removal Bill of 1830 made it the policy of the U.S. government to begin the forcible removal, relocation and genocide of Native People. This included the original people of our region, the Kalapuya. In more modern times, extreme racial prejudice towards

Japanese-Americans following Pearl Harbor, lead to government action that resulted in their forced relocation to incarceration camps with deplorable living conditions. Over this past year, the President of the United States has insisted on referring to the virus that causes Covid-19 as the “China virus” which has resulted in Americans of Asian descent being subjected to verbal assaults and intimidation by others. The State of Oregon has a history of enacting racist policies that have left lasting harm on communities of color, including entering the Union as a “whites-only” state in 1859, refusing to ratify the 14th and 15th amendments to the United States Constitution, and enacting black exclusion laws. The City of Eugene had de facto enforcement of its status as a ‘Sundown Town,’ an extended presence of the Ku Klux Klan, whites-only housing covenants, and unequal access to government services, all of which led to gentrification and decimation and demolition of historic communities of color.

I. We have seen an on-going surge of white nationalist activity and hostility here, in our home, conjuring painful memories of our City's past and causing harm to current residents. Today, members of white supremacy groups are gathering at our state’s and nation’s capitols bearing symbols of hate and intimidation including nooses, signs and clothing with valorizations of Nazi war crimes, and waving the Confederate battle flag. These individuals have carried and wielded weapons including automatic rifles, knives, bats and pepper spray which they have used against law enforcement officers who were carrying out their duties to protect. Video evidence shows members of these groups savagely beating a Capitol police officer with poles on which they had mounted the American flag. Members of these groups have engaged in acts of sedition by violently entering these capitol buildings where elected legislators were conducting the American people’s business. They did so in order to interfere with the legitimate functioning of our government. On January 6th they stormed the U.S. capitol to stop the longstanding process of the peaceful transfer of political power from one presidential administration to another, and instead install their illegitimate chosen leader as the de facto ruler of the United States. Five people died as result these actions.

J. The trauma inflicted on Black people, people of color, Muslim and Jewish people, religious minorities, the LGBTQ community and other marginalized groups by white supremacists results in generational and psychological harm affecting health, educational, economic and social outcomes.

K. The City of Eugene has a longstanding history and commitment of celebrating and supporting people of all races, national origins, immigration and refugee statuses, religions, gender, gender identities, sexual orientations, abilities, ages, and economic statuses. The City Council has adopted Ordinances and Resolutions that demonstrate this commitment, including:

1. Human Rights Municipal Code provisions, EC 4.613 - 4.655 (adopted in 1971, with the most recent amendment adopted in 2014 which made it unlawful to discriminate based on gender (Ord. 20523)).

2. Resolution 5073 (adopted 2012) in Support of a Statement of Principles for Immigrant Integration.

3. Resolution 5142 (adopted in 2015) Declaring the Urgency of the Housing and Homelessness Crisis.

4. Resolution 5148 (adopted in 2016) Declaring the Second Monday of October as Indigenous Peoples' Day.

5. Resolution 5150 (adopted in 2016) Supporting the Oregon Convention on Elimination of all Forms of Discrimination against Women.

6. Resolution 5154 (adopted in 2016) Declaring the City of Eugene's Commitment in Protecting Refugees.

7. Resolution 5174 (adopted in 2016) Declaring the City of Eugene's Commitment to Being a Welcoming, Inclusive and Safe Community for Everyone.

8. Council Ordinance No. 20579 (adopted 2017) Concerning Protections for Individuals and Adding Sections 2.495 and 2.497 to the Eugene Code, 1971.

9. Resolution No. 5190 (adopted 2017) Declaring the City of Eugene's Opposition to Anti-Semitic Hate and Bias Crimes.

10. Resolution No. 5206 (adopted 2017) Supporting the Continuation of the Deferred Action for Childhood Arrivals Program.

11. Resolution No. 5274 (adopted 2019) Condemning White Nationalism and Alt-Right Activities and Groups.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EUGENE, a Municipal Corporation of the State of Oregon, as follows:

Section 1. The City Council is committed to making Eugene a welcoming, inclusive, and safe community for everyone. We condemn hate, xenophobia, racism, white supremacy, Anti-Semitism, Islamophobia, homophobia, transphobia, ableism, sexism and other forms of bigotry.

RESOLUTION NO. 5274

A RESOLUTION CONDEMNING WHITE NATIONALISM AND ALT-RIGHT ACTIVITIES AND GROUPS.

The City Council of the City of Eugene finds that:

A. The Mayor and City Council of the City of Eugene are proud to support policies and efforts that uphold our commitment to protect an individual's ability to experience a safe, welcoming and inclusive community in Eugene.

B. In alignment with City Council's goal of creating a safe and welcoming community, we value human rights, peace, respect, inclusivity and equity, and recognize that we derive strength from our diversity.

C. We acknowledge that scholars consistently define white nationalism as the promotion of the idea that national identity should be built around white ethnicity, and that white people should therefore maintain both a demographic majority and dominance of the nation's culture and public life across the country.

D. We recognize that there has been a rise of white nationalist and white supremacist groups in the United States and that the national political dialogue reflects this racial tension.

E. Our community is committed to a just and inclusive Republic. White nationalism places the interests of white people over those of other racial groups, and is an ideology focused on maintaining white political, economic, and demographic dominance, and it is at odds with our vision for Eugene.

F. The Oregon Constitution states, "No law shall be passed restraining the free expression of opinion, or restricting the right to speak, write, or print freely on any subject whatsoever; *but every person shall be responsible for the abuse of this right.*" (Emphasis added.)

G. Free speech is a core principle of an American Republic. The agenda of white nationalist groups seeks to destabilize the American Republic, use fear as a control tactic, divide our community, and promote and ignite social animosities.

H. We understand that the City of Eugene exists within the historical context of our nation and state. Marginalized communities have experienced generational oppression and traumas related to the decisions made by people and governments in both the past and present. White supremacy groups have a history of advocating for the marginalization of communities of color through government policies. For example, extreme racial prejudice resulted in the deportation of Japanese-Americans following Pearl Harbor, leading to government action that resulted in their forced relocation to incarceration camps with deplorable living conditions. Today, groups are advocating for the apprehension, detention and deportation of Central American

refugees legally seeking asylum in the United States. The State of Oregon also has a history of enacting racist policies that have left lasting harm on communities of color, including entering the Union as a “whites-only” state in 1859, refusing to ratify the 14th and 15th amendments to the United States Constitution, and enacting black exclusion laws. The City of Eugene had de facto enforcement of its status as a ‘Sundown Town,’ an extended presence of the Ku Klux Klan, whites-only housing covenants, and unequal access to government services, all of which led to gentrification and decimation and demolition of historic communities of color.

10. Resolution No. 5206 (adopted 2017) Supporting the Continuation of the Deferred Action for Childhood Arrivals Program.

NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EUGENE, a Municipal Corporation of the State of Oregon, as follows:

Section 1. The City Council is committed to making Eugene a welcoming, inclusive, and safe community for everyone. We condemn hate, xenophobia, racism, white supremacy, Anti-Semitism, Islamophobia, homophobia, transphobia, ableism, sexism and other forms of bigotry.

Section 3. The City Council requests that the City Manager explore convening public historians to identify ‘Sites of Memory’ and memorialize them, in collaboration with Eugene’s diverse artist community, to begin a process of reconciliation with Eugene’s past, to actively acknowledge and address the remnants of Eugene’s historical legacy, and to commemorate unsung heroes who have acted to counter white supremacy and discrimination.

Section 4. This Resolution is effective immediately upon its passage by the City Council.

The foregoing Resolution adopted the 24th day of July, 2019.
